Explanation of Billing Procedures

Tuition is due in advance on the first of each month. A late fee of \$25.00 is added on the 7th of each month if processing of card is declined or if payment is not received. There is no extra charge for the months that your student might have 5 weekly classes per month. Conversely we do not pro-rate tuition on months that contain holidays. Nor do we pro-rate tuition for classes in which the student does not attend. We observe all major holidays noted on the Pell City School System calendar.

Should you decide to drop enrollment from any class, please notify Starr Kendrick in writing ONLY. Do not leave a message on voice mail or with teachers and or other staff who do not handle billing. Otherwise the position in

the class will continue to be held and you will be billed for that class whether or not the student attends. Tuition is due for the entire month in which students drop out. We do offer auto-draft from a credit/debit card but not from a check. Drafting is done the week of the 6th. **Payment of monthly tuition is due by the 1st of each month. If payment is NOT made in this time period, we will charge the account balance IN FULL to the credit card listed on your Registration Form.**

Dancingly,
Starr Gaither Kendrick

“STARRZ” Performing Arts Centre will NOT hold class on the following days. We follow the Pell City School System.
